Description

Three storey mid terraced family home for sale

The house has been extended to create a spacious family layout, with two separate reception rooms on the ground floor which can be used as a formal lounge and a family room or home office depending on requirements. The fitted kitchen sits to the rear and leads out to the garden, making it practical for everyday family life and entertaining.

Over the upper two floors there are four good-sized bedrooms, allowing for a principal bedroom, children's rooms and a guest room or study if required. Two bathrooms serve the property, which is a real advantage for busy households and sharers alike.

Outside space and setting

To the front, the property forms part of a traditional mid-terrace streetscape on Devonshire Road, giving an attractive period feel and a strong sense of community. To the rear there is a private garden accessed directly from the house, providing valuable outdoor space for relaxing, play or al-fresco dining.
