**Location**

Croft Road is situated in the popular Fairfield Park area, on the edge of Larkhall village to the east of Bath city centre. The location is particularly convenient for those looking to combine easy access to the city with the strong community feel and excellent everyday amenities offered by Larkhall.

Within a short walk, the village provides a wide range of local shops and services, including a small supermarket, chemist, delicatessen, hardware store, coffee shops, post office, pub, theatre and church, while a larger supermarket is also within easy walking distance.

The popular Alice Park is close by and provides attractive open space and recreational facilities, with Bath itself offering an extensive choice of parks, cultural attractions, restaurants, leisure facilities and shopping. A number of highly regarded state and independent schools are also readily accessible.

Bath enjoys excellent transport links, with Bristol easily reached by road and Junction 18 of the M4 approximately 10 miles away. Bath Spa railway station provides regular high-speed services to London Paddington, with journey times of approximately 90 minutes.

**Internal Description**

Offered for sale with no onward chain, this well-presented detached family home provides spacious and versatile accommodation arranged over two floors.

A bright and welcoming entrance hall provides access to the principal ground floor rooms, with stairs rising to the first floor. To the front is a comfortable living room, where a large bay window allows plenty of natural light into the room and creates an attractive focal point.

To the rear, the open-plan kitchen and dining room forms an excellent family and entertaining space, with ample room for a dining table and additional seating. The bright outlook towards the rear garden enhances the sense of space, while the arrangement provides a practical balance between everyday family living and entertaining. A useful cloakroom completes the ground floor accommodation.

On the first floor are three bedrooms. The two principal bedrooms are both comfortable doubles, while the third bedroom offers useful flexibility and would work equally well as a child's bedroom, nursery, dressing room or dedicated home office. The bedrooms are served by the family bathroom.

**External Description**

The property occupies a particularly generous plot and benefits from extensive off-road parking, with a driveway providing space for several vehicles in addition to a garage.

The front garden offers further outside space with scope for planting and landscaping, while side access leads through to the rear.

The enclosed rear garden is predominantly laid to patio, providing a practical and relatively low-maintenance setting for outdoor dining, entertaining and family use. At the far end of the garden there is access to an additional area of land, further enhancing the overall size and versatility of the plot and providing an interesting opportunity for a purchaser to consider how the space might best be utilised, subject to any necessary consents.

The combination of a detached house, generous parking, garage and substantial outside space is a particular feature of the property.
