Escape to Your Own Countryside Story
– A Stunning 4-Bed Thatched Retreat
on 1.3 Private Acres

Step into a daydream of rustic elegance and modern ease. Nestled in the serene heart of the Tarrant Valley, this exquisite four-bedroom thatched cottage isn't just a rental—it's a lifestyle. Set within 1.3 acres of your own secluded land, this is a rare invitation to live peacefully, work creatively, and gather meaningfully. The property is available to rent on a long-term basis, with unfurnished or part-furnished options negotiable.

Inside, character meets comfort at every turn. Curl up by the crackling log burner in the generous lounge, where winter evenings feel like a warm embrace. With two sprawling reception rooms, entertaining flows effortlessly, while a dedicated study offers a quiet sanctuary for remote work or artistic pursuits. The thoughtfully designed layout includes a hardworking utility room with plumbing for a washing machine and space for a tumble dryer—perfect for muddy boots and laundry days. The family bathroom is complete with both a deep-soak tub and a separate rainfall shower. All four bedrooms are spacious, light, and endlessly adaptable; the master bedroom benefits from built-in wardrobes, while the remaining three can easily serve as guest rooms, nurseries, or hobby spaces as you wish. Heating and hot

water are provided by an oil-fired central heating system.

The real magic awaits beyond the back door. Outside, your private haven includes a fire pit for starlit gatherings, a dedicated pottery studio with power and lighting (ideal for artists or home businesses), and sprawling gardens that combine lawned areas, mature borders, and a vegetable patch. There is ample off-road parking for up to four vehicles, plus a timber garden shed and a log store. The 1.3 acres also include a small paddock area, previously used for sheep and suitable for a pony or other small livestock (subject to landlord approval).

Whether you're nurturing a creative spark, gardening, keeping animals, or just needing room to roam, this land delivers.
