DESCRIPTION

Hunters are delighted to present this superb ground floor apartment forming part of Crown House, an elegant Victorian residence that has been thoughtfully refurbished to combine modern comfort with period character.

Accessed via its own private entrance, the apartment opens through a stunning original stained glass vestibule into a spacious inner hallway, a versatile area that could also be used as an additional reception space. Being positioned on the ground floor, the property offers ease of access throughout, making it well-suited to those seeking more accessible, single-level living. The accommodation is generous and light-filled, including a spacious living room, a large principal bedroom with fitted wardrobes and en-suite wet room, a further double bedroom, a stylish fitted kitchen blending original charm with contemporary design, and a separate pantry. A further bathroom and separate WC add to the practicality of the layout.

Externally, the home benefits from a private side courtyard garden, well-stocked borders to the front, and off-street parking leading to a garage with utilities. A large cellar provides excellent additional storage.

Situated on the sought-after south side of Scarborough, Filey Road is known for its attractive period properties and convenient setting. The apartment is within easy reach of the Esplanade and South Bay, offering coastal walks, beaches, and sea views. Local amenities, cafes, and transport links are all nearby, along with Scarborough College and green spaces.

Ideally suited to a range of buyers including those looking for accessible accommodation, professionals, couples, or small families, this distinctive apartment offers a rare opportunity in a highly regarded coastal location.
