PROPERTY SUMMARY

Castles Hackney are delighted to present this substantial five/six-bedroom Victorian mid-terraced home, offering over 2,200 sq. ft. of versatile accommodation in the heart of vibrant Stoke Newington.

Requiring complete modernisation, this impressive family residence presents a rare opportunity to create a truly exceptional home while preserving its wealth of original period features and character. Arranged over four floors, the property offers generous living space and significant scope to enhance and add value.

The ground floor comprises an elegant through reception room with high ceilings, a large bay window and excellent natural light, alongside a separate dining room. To the rear is the kitchen, a ground-floor bathroom, and direct access to a generous south-facing garden—perfect for entertaining, outdoor dining and family life.

The first floor provides three well-proportioned bedrooms and a separate cloakroom, while the upper floor offers three additional bedrooms, allowing for flexible family accommodation or dedicated home office space. A substantial cellar provides excellent storage and offers further potential for conversion, subject to the necessary planning consents.

Ideally situated just moments from Stoke Newington High Street and the ever-popular Church Street, the property benefits from an outstanding selection of independent cafés, restaurants, boutiques and everyday amenities. The area is renowned for its strong sense of community and attractive green spaces, including Stoke Newington Common and Clissold Park.

Transport links are excellent, with Rectory Road Overground Station less than a five-minute walk away, providing fast connections to the City and beyond. Numerous bus routes also offer convenient access across London.

Offering exceptional proportions, period character and enormous potential, this is a rare opportunity to acquire a landmark Victorian home in one of North London's most sought-after neighbourhoods.

Rectory Road, London, N16 Approximate Gross Internal Area = 2201 sq ft / 204.3 sq m
