A Period Trophy Home Set Within Ealing's Historic Golden Triangle

Steeped in history and boasting an architectural scale that is impossible to replicate in modern builds, Mount Park Road is an eight-bedroom detached residence awaiting its next chapter. Originating from the grand 19th-century expansion of Ealing—when it transitioned from a rural village into the "Queen of the Suburbs"—this historic building offers a majestic multi-floor canvas. The house is dated and requires extensive renovation throughout. However, this is precisely where its luxury value lies: it offers an absolute blank canvas to customise a bespoke family fortress, complete with an exceptionally rare 200ft rear garden.

- **Position & Proximity:** Placed perfectly for the executive commuter, enjoying close proximity to the green hub of Haven Green and the high-speed transit options of Ealing Broadway Station.
- **An Uncompromised Legacy:** Spanning four grand storeys, this home provides the ultimate spatial freedom to curate a modern luxury lifestyle within a prestigious, historic envelope.
- **Elite Educational Proximity:** Located within a half-mile radius of Ealing's finest institutions, with direct access to St Benedict's School and Montpelier Primary School.
