Castle View Mooring offers the best of both worlds offering you the tranquillity and luxury of a marina and the location being only minutes away from Strood town centre. There is an allocated parking space within the boatyard for one vehicle and on street parking.

A unique beautiful converted tank barge Debralee features a spacious open plan living and dining area, a good size bathroom, two double bedrooms and kitchen as you walk through the door. The home features plenty of character with a cosy log burner and plenty of light with a large amount of high windows. The front of the boat offers a great entertaining space with plenty of room for a outdoor sofa lounge/furniture set.

Strood Town centre offers various local shops, supermarkets, restaurants, takeaways and a retail park.

Travel links are excellent with easy access to the A2/M2. Strood train station only a short walk away benefited from high speed trains to London. There are many bus routes/stops that run through the local area.
