Property description

An exceptional opportunity to acquire this immaculately presented three-bedroom apartment, currently operating as a successful holiday let and ideally positioned just a stone's throw from Ilfracombe's bustling harbour, local amenities and transport routes. Offering breathtaking coastal views across the Bristol Channel and Ilfracombe's rugged coastline, this superb property would make an excellent investment opportunity or the perfect coastal retreat.

Arranged over two floors, the apartment offers generously proportioned and versatile accommodation throughout. The spacious living room provides an ideal setting for both relaxing and entertaining, with ample room for comfortable living and dining furniture, while large windows frame picturesque sea views and create a wonderfully light and airy atmosphere.

The property benefits from a large, well-appointed kitchen, complemented by a useful separate utility room, providing excellent practical space for day-to-day living or holiday letting. The accommodation is further enhanced by a beautifully presented four-piece family bathroom and an additional convenient two-piece WC.

To the upper floor, there are three well-proportioned double bedrooms, two of which enjoy incredible sea views. Two bedrooms also benefit from useful built-in wardrobes, providing excellent storage and further enhancing the practicality of the accommodation.

Externally, a particularly attractive feature of this property is the inclusion of a single garage and private driveway, providing highly desirable off-road parking — a significant benefit for both holidaymakers and those looking for a permanent coastal residence.

With its successful holiday-let potential, enviable coastal position, exceptional sea views and highly sought-after parking provision, this property represents an excellent opportunity for investors seeking an attractive return in a desirable location, or buyers searching for a stunning coastal escape.

Location

Ilfracombe town offers a variety of independent shops, art galleries, restaurants and bars. The picturesque seafront and harbour area is home to artist Damien Hirst's 'Verity' statue at the harbour entrance. In addition is the exciting new water sports centre and café making the harbour a hive of activity.

North Devon has a wealth of simply stunning golden sand beaches and has long been a mecca for British surfers. The area has recently been declared a 'world surfing reserve', one of just 12 places on the planet along with Australia's Golden Coast and Malibu in California.
