If you are seeking a beautifully presented home in a quiet village setting, 1 The Old Water Gardens could be the perfect choice. Renovated by the current owner, this delightful property allows the new buyer to simply move in, unpack and enjoy village life at its best. The accommodation comprises an entrance hall with useful coat storage, leading through to a newly fitted kitchen featuring an attractive range of green Wren wall and base units. Integrated appliances include a dishwasher, double oven, washing machine and induction hob, all complemented by a bespoke quartz worktop and wood style flooring. There is ample space for a dining table, creating a welcoming social hub, with a door opening directly onto the garden. The hallway also leads to a generous lounge, with stairs rising to the first floor. Upstairs, there are two double bedrooms, with the principal bedroom benefiting from fitted wardrobes, along with a modern family bathroom. Appealing to environmentally conscious buyers, the property further benefits from a recently installed air source heat pump, enhancing both efficiency and sustainability. Externally, the front garden is gravelled and attractively planted with mature shrubs. The rear courtyard garden is a low-maintenance haven, laid with porcelain tiles and featuring a raised bed perfect for container planting and ideal for the keen but time-limited gardener. Additional benefits include a single garage located in a separate block and allocated parking for one vehicle. Ideally positioned within a short walk of all that this friendly village community has to offer, we strongly recommend an early viewing.

Blagdon is a picturesque North Somerset village offering a good selection of local amenities, including cosy public houses and Blagdon Primary School, which feeds into the highly regarded Churchill Academy and Sixth Form. The village is well placed for access to Bristol, Bath and Wells, while the surrounding countryside set at the edge of the Mendip Hills, is widely regarded as some of the most attractive in the region. The nearby lake at the base of the valley and the outstanding natural beauty of the surrounding landscapes further enhance the appeal of this charming location.
