Bay window, bi-folds and bags of charm! This 3-bed stunner near Crossley Park has a wood-burner for winter nights, a sun room for summer vibes, and a garden built for BBQs. Garage, parking, and zero faff — just move in and enjoy!

This beautifully presented three-bedroom detached home blends modern open-plan living with character charm — all in a prime Ripley location, just a short stroll from Crossley Park and the town centre.

The heart of the home is the gorgeous open-plan living/dining/kitchen area, complete with a large bay window, cosy wood-burning stove, and a striking exposed brick chimney breast. The dining space flows effortlessly into a modern kitchen with handy under-stairs storage, and sliding doors lead through to a bright and airy family room/sun room.

The rear extension really elevates the space — offering a flexible living area perfect for relaxing or entertaining, plus a utility and guest WC. Wide bi-folding doors open the whole room up to the garden, making it ideal for summer gatherings. The rear extensions footings are also deep enough for a further storey to be added to the existing extension if required.

Upstairs, you'll find two generous double bedrooms, a further single room (great as a nursery, office or dressing room), and a stylish three-piece family bathroom with shower over bath.

Outside, the home has off-street parking to the front and a block-paved path to the entrance. The private rear garden is fully enclosed and thoughtfully designed, featuring a composite decked seating area, lawn, and a detached brick-built garage/workshop with up-and-over door and double doors — ideal for storage, hobbies, or even a home gym.
