DESCRIPTION

With open fields to the front and rear, this detached bungalow enjoys a superb position in this highly regarded East Yorkshire village. The spacious property has two ground floor bedrooms in its current configuration and a third larger one on the first floor. There are also two spacious reception rooms and a large kitchen on the ground floor. No forward chain and a superb opportunity so early viewing is highly recommended.

Built and occupied by the current owners, this property is being offered for sale for the first time. The detached bungalow occupies an enviable position in this highly regarded village, with open fields both to the front and rear. The property provides spacious accommodation as it is, but further conversion of the loft void may be possible (subject to necessary permissions). There are currently 2 double bedrooms on the ground floor but the spacious dining room would provide another if required. As there is a large living room and spacious kitchen, many purchasers may not need a formal dining room. The property has been well maintained but most buyers are likely to want to undertake a programme of redecoration to suit their requirements. One feature of note is the herringbone style parquet flooring throughout much of the ground floor. The property benefits from extensive uPVC double glazing and oil-fired central heating. The ground floor briefly comprises: a spacious Entrance Hall, good sized Living Room, Dining Room, Conservatory, Dining Kitchen, a small Utility Room, 2 Double Bedrooms and a Shower Room.

To the first floor there is a further good sized Double Bedroom and walk in access to a large void. There are attractive gardens to the front of the property and an area of car hardstanding extends off the driveway which also leads past the side of the house to a detached single garage. To the rear of house there are further well maintained largely lawned gardens with a greenhouse.

A superb opportunity to acquire an excellently located detached and spacious bungalow with potential to extend and a good sized plot. There is no forward chain so early viewing is essential though we do also have a 360 degree tour available.

LOCATION

Arnold lies to the east of Beverley and is a well regarded small rural village. Its local pub, the Bay Horse, is well known and there are further amenities in Long Riston which lies just to the other side of the A165. Nearby Leven and Skirlough offer more, as do Beverley, Hornsea and Hull at a slightly further distance.

There is an area of car hardstanding which extends off the driveway. The rear gardens are also a good size and well maintained. They are largely laid to lawn with some planting as well as a range of trees and shrubs. There is a paved patio area and hedging to the perimeter.
