To your left, discover the dedicated study with built in bookcases/storage, perfect for remote working. The large dual-aspect living room features a fireplace, currently closed off but which could be reworked to create a cosy focal point for winter evenings. It is a bright, south facing room and a favourite place for a morning cuppa. KEY FEATURES

Explore Upstairs

Ascending the staircase, you are greeted by a galleried landing that leads to five spacious bedrooms. The principal suite comes complete with an ensuite shower room for added privacy. Three further double bedrooms and a cosy single room share a generously sized family bathroom, which features both a bath and a separate shower, ideal for families. This versatile upper floor layout can also accommodate a television room, dressing room for the principal bedroom, hobby space, or a second home office, making it perfect for modern family living and for guests to stay over.

Step Outside

The expansive gravel driveway accommodates up to five cars, along with two side-by-side single garages, currently used as hobby rooms. These offer potential for ancillary accommodation if required, subject to permissions. If desired, the front lawn could be converted into additional driveway space for a caravan/campervan or work vehicles. The conservatory leads to a lovely wraparound terrace providing the perfect setting for relaxation and outdoor entertaining. There is ample space for barbecue gatherings, dining, and lounge furniture. The summer house is currently used for storage but could be repurposed as a pleasant hideaway to enjoy a good book and a glass of red, or a playhouse for children or even a home office perhaps. The rear garden is predominantly laid to lawn, peppered with mature specimen trees including Worcester apple, Cedar, Acer and Parottia Persica which has beautiful Winter flowering. It offers a delight of colour and fragrance all year round – in Spring the garden is full of violets and daffodils and with Buddleia and Roses offering a delight of colour and fragrance and the specimen trees make a splendid display of Autumn colour. The trees provide welcome shade in summer and offer a haven for wildlife with scurrying squirrels and birdsong a privilege to observe. The grounds are easy to maintain whilst tall hedges ensure privacy.
