Description

Enjoying a superb elevated position with far reaching panoramic views across Glastonbury and the Somerset Levels, this spacious split-level home offers versatile and well balanced accommodation with No Onward Chain. Designed to take full advantage of its stunning outlook, the property provides four bedrooms, two bathrooms, generous reception rooms and a sunny garden, making it an ideal family home or comfortable downsizing opportunity in a peaceful setting.

The entrance hall provides access to the main living areas, with stairs leading down to the lower ground floor. On this upper level, matching panel doors open to the sitting room, dining room, kitchen/breakfast room, cloakroom and garage. The sitting room features a living flame gas fire with wooden surround and marble hearth, together with sliding patio doors opening to a balcony that captures spectacular views over the town's rooftops, St John's Church Tower, Wearyall Hill and the Somerset Levels beyond. The dining room enjoys a southerly aspect, while the kitchen is fitted with a modern range of oak-fronted wall, base and drawer units, integrated electric oven, induction hob and dishwasher, plus space for a freestanding fridge/freezer and family breakfast table. A vestibule with two useful storage cupboards and a cloakroom with WC and wash hand basin complete this level.

On the lower ground floor, the hall provides access to four bedrooms, a family bathroom and a utility room. The master bedroom includes fitted double wardrobes and an ensuite shower room, while bedrooms two and three both feature built-in wardrobes and enjoy the same wonderful south-facing views over the garden and beyond. The fourth bedroom, currently used as a study, has glazed doors opening directly onto the rear patio. The family bathroom comprises a panel bath with shower over, wash hand basin and WC. The utility room provides further storage, plumbing for a washing machine and tumble dryer, and houses the gas-fired combination boiler within the airing cupboard.

Location

The property is in an elevated setting approximately one quarter of a mile from the High Street with its good range of shops, restaurants, health centres, public houses etc. The historic town of Glastonbury is famous for its Tor and Abbey Ruins and is some 6 miles from the Cathedral City of Wells. Street is 2 miles and offers more comprehensive facilities including Strode College, Strode Theatre, both indoor and outdoor swimming pools and the complex of shopping outlets in Clarks Village. Access to the M5 (Junction 23 - Dunball) is 14 miles whilst Bristol, Bath, Taunton and Yeovil are all within commuting distance.

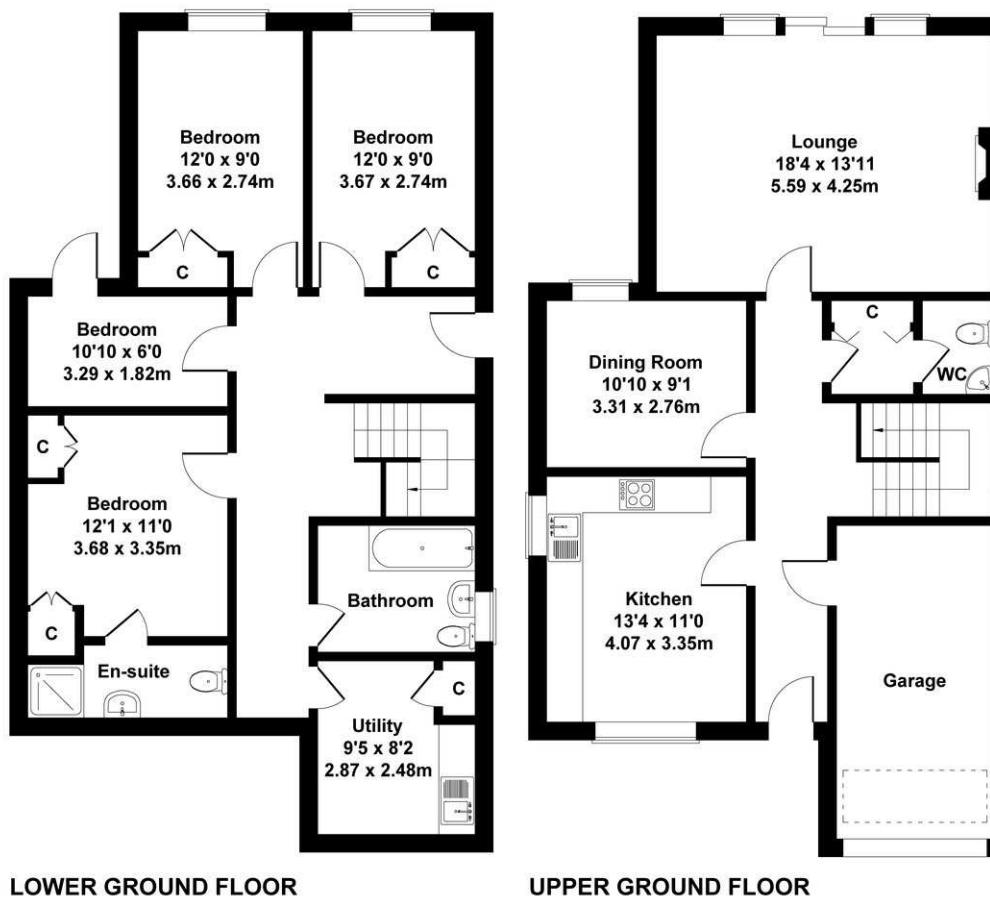

Outside, a brick-paved driveway leads to the single garage with up-and-over door, power and light supplied. Steps at the side with gated access lead down to the rear garden, which offers a great degree of seclusion and is laid mainly to lawn with mature borders. A patio area provides the perfect spot for outdoor dining while enjoying the impressive views towards Wearyall Hill, St John's Church Tower and across the Somerset Levels.
