A very impressive plot and location. The house is set in the middle of the countryside, with stunning views. This is a once in a lifetime opportunity to purchase a property like this. Although there is modernisation required, the potential here is huge.

We have loved living here over the years. With the setting and location is really has been a mini paradise. Sadly, As time has progressed the property has been harder to manage and so we have decided its time to downsize.. We really hope the new owners love it as much as we have.
