The Property:

Tucked away on the ever-popular Ebrington Street, this deceptively spacious 2 bedroom property offers a rare blend of peace and proximity — just a short stroll from Kingsbridge town centre yet set apart from the hustle and bustle. Even more appealing, it comes with off-street parking and a garage, plus the potential to convert a room into a third bedroom — a real find in this area.

Accessed via eight external steps (currently fitted with a stairlift), a UPVC front door opens into a welcoming hallway with four built-in storage cupboards — ideal for coats, cleaning supplies, and housing the boiler and water tank. Laminate flooring flows through the hallway, and there's also a handy downstairs WC with basin and additional understairs storage.

The kitchen is well-proportioned and practical, with space for a fridge-freezer, plumbing for a washing machine, an electric oven and hob with extractor fan, and a corner sink positioned beneath a window.

The adjacent reception room is a bright, spacious living-dining area — carpeted, cosy, and bathed in natural light thanks to a large front-facing window.

Upstairs, you'll find two generous double bedrooms, both offering far-reaching views across to the Quay and surrounding countryside. The main bedroom is especially roomy, while the second also benefits from a deep over-stairs storage cupboard. A third room above the garage is currently used as a workshop but could easily serve as a third bedroom or home office, as it features a window and natural light.

The bathroom includes a bath with electric shower and foldaway screen, WC, basin, and towel rail.

To the rear, a private courtyard garden offers a peaceful escape, with a raised seating area perfect for enjoying the views down to the Quay — a lovely spot to unwind and watch the world go by. There's also space for an outdoor storage unit, and steps lead down the side of the house for easy access.

At the front, the property is equally well-appointed, with an up-and-over garage (with power), driveway parking for two small vehicles, and a neat flower bed filled with mature shrubs creating a welcoming first impression.
