This attractive double fronted detached family residence (1927 sq. ft/179 sq. m) was built in a Georgian style in the 1980's and is offered with vacant possession. The house benefits from an east/west aspect filling the accommodation with natural light and includes a 22' x 16' double aspect living room, a separate dining room, kitchen and cloakroom. The first floor the master bedroom has an en-suite bathroom, there are two further double bedrooms and a family bathroom. Outside the secluded 100ft rear garden has a bright westerly aspect and a large patio (ideal for entertaining), a main lawn and mature shrub and tree inlays and borders.
