Location

Situated in Camden Town, this property is just a short walk from the ever-evolving Kings Cross, known for its mix of independent shops and eateries at Granary Square and Coal Drops Yard. The area beautifully blends historic architecture with modern amenities, offering a vibrant array of boutiques and dining options in a unique canal-side setting. It's also home to the headquarters of several major international companies, as well as the new Lightroom Gallery. Transport links are excellent with Camden Road (London Overground), Camden Town (Northern Line) Stations, both providing access to several Underground Lines and beyond. Regent's Park and Primrose Hill are also within easy walking distance, perfect for enjoying the outdoors and panoramic city views. Additionally, a nearby canal towpath offers a scenic cycle route.

Description

Comprises a terrace of three interconnecting buildings arranged on Ground, First and Second Floors, split up to provide six self-contained flats, which are 4x2 beds 1x2 bed maisonette and 1x3 bed maisonette and vacant offices arranged on the Ground and Basement of number 136. Four of the flats are let on assured periodic tenancies, with the three-bed maisonette let on an Airbnb basis. The building is ideally suitable for reconfiguration and development for the rear part of the building and to add an additional floor. Our clients carried out a study in 2023 to submit a planning application to develop the rear of the entire three buildings. Full plans are available upon request.
