Bluecoat Pond

Bluecoat Pond, situated on the former Christ's Hospital School dairy site, takes its name from the long blue coats still worn by the students. The Victorian pond and water tower are the centrepiece of the estate's spectacular courtyard, with the pretty brick properties surrounded by finely-landscaped gardens and grounds.

Although it doesn't officially hold village status, Christ's Hospital has postal facilities, a chapel, a farm shop and a railway station with regular trains to London Victoria, via Horsham and Gatwick, Bognor Regis and Chichester. Christ's Hospital School also offers a hugely varied programme of high-quality music and drama performances, held in their purpose-built theatre designed by the same architect responsible for London's Young Vic. The town of Horsham is only a short drive away and still retains its old-world charm with a traffic-free centre, as well as an excellent range of shops, pubs and restaurants and an arts centre with a theatre and cinema. The local area offers many opportunities to enjoy the countryside and wildlife, with Warnham Nature Reserve, Horsham Park, Huxley's Birds of Prey Centre and Sumners Ponds all no further than seven miles from the estate.

Cognatum Estates Limited provides the services and amenities shown below together with the maintenance, repair and insurance of the buildings, personal alarms, window cleaning and refuse collection. The cost of providing these services is shared equally between all properties.
