Property Overview

Home Of Leigh are delighted to offer for sale this attractive Victorian town house situated within one of Southend on Sea's most sought-after conservation areas, this substantial Victorian townhouse presents a rare opportunity to acquire an elegant period home with exceptional potential.

Enjoying a desirable south-facing rear aspect, the property is arranged over three principal floors and retains the charm and character expected of its era, offering the perfect canvas for an ambitious renovation project.

In addition to the main accommodation, the property benefits from living space to the lower ground floor which includes a further reception room/bedroom, utility room and shower room. The roof was renewed in 2025.

Requiring comprehensive modernisation throughout, this is a project of significant scale and is ideally suited to experienced renovators, developers or buyers looking to restore a fine Victorian residence to its former glory. Once refurbished, the property has the potential to become a truly outstanding family home in an enviable location close to the seafront, parks, excellent schools, transport links and Southend's city centre amenities.

Due to the extent of the required works, the property is considered suitable for cash buyers only.
