The Green, York

DESCRIPTION

Delightful double bay-fronted four-bedroom detached family home, beautifully modernised and extended, situated in the heart of one of York's most popular villages and less than five miles from York city centre.

Dene Holm is a charming traditional Victorian home that has been thoughtfully transformed by the current owners, combining original period character with contemporary family living. A stunning bespoke architect-designed extension creates an impressive light-filled kitchen, dining and family space, opening seamlessly onto a covered outdoor seating area.

The property was formerly owned by the neighbouring Poppleton Methodist Church and provided a residence for the Minister, enjoying a wonderful position close to the pretty village green.

The accommodation comprises a welcoming entrance hall, two bay-fronted reception rooms and a downstairs cloakroom. The impressive extended kitchen features a breakfast bar island and opens through a feature glazed opening into the family sitting area. A utility room and home office/study provide further practical space. To the first floor are four original bedrooms and a family bathroom. The principal bedroom benefits from a further extension incorporating a walk-through dressing room and a spacious en-suite shower room.

Externally, the front garden is attractively landscaped behind a dwarf wall, with feature lavender beds. The rear garden has been designed for entertaining, featuring a paved seating area partially sheltered beneath the extension and a charming brick-built bar.

A beautifully presented and characterful family home offering an exceptional blend of period charm, contemporary design and versatile living space in an enviable village setting.
