The Agent that goes the Extra Mile

A charming character cottage located in the highly sought-after seaside town of Newport, just a short walk from local shops, restaurants, and the popular seasonal Monday Market. The beautiful coastline and The Parrog are only a stroll away.

This modern, character-style property was built in 1998 and has been thoughtfully renovated to a high standard by the current owners within the past three years. Features include exposed ceiling beams, wooden flooring, rustic brush finished plastering, traditional column radiators and traditional thumb-latch doors throughout. Viewing is highly recommended to fully appreciate all that this home has to offer.

The property is entered via a welcoming hallway, complete with a useful storage cupboard and a convenient downstairs WC. To the right, a door opens into the open-plan living and kitchen area. The cosy living space is centred around a feature brick fireplace with a log-burning stove, creating a warm and inviting atmosphere, while a window overlooks the front garden with distant sea views.

The contemporary kitchen is fitted with matching wall and base units and includes integrated appliances such as a washing machine, wine cooler, fridge/freezer, and a double AEG oven. Additional features include open shelving, a breakfast bar, and an AEG electric hob with an attractive tiled splashback. Double glass sliding doors lead out to the rear garden, allowing plenty of natural light to fill the space. Completing the ground floor is a versatile single bedroom, ideal as a guest room or home office.

Stairs rise from the hallway to the first floor, where there are two beautifully presented double bedrooms, one of which enjoys distant sea views. The stylish shower room has been tastefully designed with a combination of wood panelling and decorative wallpaper.

Externally, the front of the property is accessed via steps leading to a low-maintenance gravel garden, with a paved pathway to the front door and a mature shrub border. The sunny, south-facing rear garden, accessed from the living/kitchen area, features a patio seating area—perfect for relaxing—as well as a lawn bordered by flower beds. A garage is located beyond the rear garden, providing useful storage or off-road parking.

The medieval town of Newport is known as 'the jewel in the crown' of North Pembrokeshire - The Pembrokeshire Coastal Path runs through Newport's boundaries giving stunning views of Dinas Island, Morfa Head, Carningli Mountain and Newport Bay. The two largest beaches are Traeth Mawr (Big Beach, or Newport Sands) on the northern side of the Nevern Estuary, and The Parrog, ever popular with boat enthusiasts, on the south side. The Nevern Estuary is teeming with wildlife and birds. Carningli Mountain stands to the south of Newport, with standing stones, ancient forts and hut circles. The town also boasts a wide range of shops to cater for every need. There are also fine restaurants and several pubs, as well as a tourist information centre.
