FRESH, MODERN & READY TO ENJOY

A beautifully neat three-bedroom semi-detached home, built in 2021, with a smart layout, double driveway and landscaped rear garden.

If you want the feel of a newer home without waiting for one to be built, this could be just what you're looking for. Built in 2021 and set within a popular new estate, this three-bedroom semi-detached property is smart, tidy and ready to move straight into, with a simple layout that works really well for everyday life. The property offers a welcoming porch entrance, comfortable lounge, kitchen/diner with French doors to the garden, downstairs WC and three bedrooms upstairs, with the added benefit of useful storage on the landing. Outside, the garden has already been thoughtfully finished, while the double driveway provides excellent off-road parking to the front.

THE FINER DETAILS

The property has a straightforward and well-planned layout, beginning with a convenient porch entrance leading into the hall. The lounge sits at the front of the home, while the kitchen/diner occupies the rear and provides direct access to the garden. Upstairs, there are three bedrooms, a family bathroom and a useful storage cupboard on the landing.

The welcoming porch provides a useful entrance before leading into the hall, with access to the main living spaces and downstairs WC. The lounge is a comfortable reception room positioned at the front of the property, while to the rear, the kitchen/diner provides a practical space for cooking and dining. French doors open directly from the kitchen onto the garden, creating an easy connection between the two spaces.

The first floor provides three bedrooms arranged around the landing, offering a good mix of accommodation for families, guests or those needing a home office. The main bedroom measures approximately 3.82m x 2.63m, with Bedroom Two measuring approximately 3.52m x 2.46m and Bedroom Three approximately 3.20m x 2.08m. A family bathroom completes the floor, while the landing benefits from an additional storage cupboard.

The rear garden has already been nicely finished, making it easy to enjoy from day one. Two separate paved seating areas provide space for outdoor furniture and entertaining, with artificial lawn positioned between them for a neat and low-maintenance finish. To the front, a double driveway provides generous off-road parking.

LIFE IN BOLSOVER

Bolsover is a popular historic market town with a character all of its own, combining traditional charm with the convenience of everyday amenities.

The town centre offers independent shops, cafés, pubs and places to eat, alongside supermarkets and local services, while regular markets and community events add to its welcoming feel.

One of Bolsover's most recognisable landmarks is Bolsover Castle, which sits prominently above the town and offers beautiful views across the surrounding countryside. There are also plenty of opportunities to enjoy the outdoors, with walks, cycling routes and countryside on the doorstep, while nearby attractions including Hardwick Hall and Creswell Crags provide plenty to explore further afield.

For commuters, the location is particularly appealing, with the M1 easily accessible via Junction 29A and good road connections towards Chesterfield, Mansfield, Sheffield and Nottingham. Local schools and bus services are also available within the town and surrounding area, making Bolsover a practical choice for families as well as those looking for a well-connected place to call home.

Bolsover offers a lovely balance between town and country, with local amenities, schools and community facilities close by, while the surrounding Derbyshire countryside provides plenty of space to get outdoors.
