Charlewood Road
Whitmore Park CV6 4ER

£265,000 Offers Over | Bedrooms 3 Bathrooms 1

This refurbished three bedroom semi detached home on Charlewood Road in Whitmore Park, Coventry, arrives with a quiet confidence, the sort that does not shout for attention yet somehow makes you want to step closer and see more. Offered with no upward chain, it brings a refreshing sense of ease, as though the hard work has already been done and all that is left is the enjoyable part of imagining life unfolding inside. Step through the entrance hall and there is an immediate feeling of gentle welcome, a space that guides you in rather than simply connects rooms, setting the tone for a home that feels both practical and inviting. The lounge sits at the heart of the ground floor, bright and generously proportioned, where daylight drifts in and settles softly, creating a space that feels equally suited to slow evenings with feet up or lively weekends where conversation flows long after the kettle has been boiled again.

The dining room sits just beyond, offering a natural gathering point where meals turn into moments and everyday routines feel a little more special. It is easy to imagine mornings filled with the smell of toast and coffee, or evenings where the table becomes the backdrop to stories, laughter, and plans that stretch into tomorrow. The refitted kitchen continues the sense of fresh renewal, sleek and modern yet grounded in practicality, making it a space where cooking feels less like a task and more like a small daily pleasure, whether that is a quick breakfast before work or a relaxed dinner shared with friends who always stay a bit longer than intended.

Upstairs, three well proportioned bedrooms offer a calm escape from the rhythm of the day. Each room feels adaptable, ready to become a peaceful main bedroom, a cheerful child's room, or a quiet space to work or think, depending on the needs of whoever calls it home. The refitted bathroom completes the first floor with a clean contemporary finish, a place where mornings begin with energy and evenings end in comfort, wrapped in a sense of simple ease.

Outside, the home continues to unfold with gardens to both front and rear, adding layers of green space that shift beautifully with the seasons. The front garden gives a welcoming first impression, while the rear garden offers a more private retreat, perfect for warm afternoons, playful moments, or quiet evenings where the sky changes colour slowly and you are in no rush to go back inside. There is off road parking to the front along with access to a garage, bringing everyday convenience that quietly makes life smoother, especially on busy mornings or late returns when you are glad everything is right where it should be.

Positioned within the sought after Whitmore Park area, this home sits comfortably within a friendly community with excellent local amenities close by and strong transport links into Coventry and beyond, making daily life both connected and convenient. It also falls within the catchment for President Kennedy School, a detail that adds real appeal for families looking to secure quality education options. With double glazing and gas central heating supporting comfort throughout the year, this is a home that balances style, warmth, and practicality, wrapping it all together in a way that feels easy to live in and even easier to love.
