A three bedroom beautifully presented home

Located in the convenient area of Northwood, this property backs onto fields and has a wonderful purpose built garden room. The house itself has a separate sitting room, open plan kitchen/dining room and a family bathroom. Tastefully decorated and finished, there is also a garage within the rear garden and a driveway with parking for several vehicles.

Interior

A lovingly enhanced home with thoughtful touches, it has been beautifully decorated in subtle tones giving a relaxing and calm feeling.

Ground Floor:

A bright hallway, with understairs storage, leads to a sitting room and the open plan kitchen/dining/family room.

The stylish modern sitting room, which is flooded with light through the square bay window, has a cream multi-fuel burner upon a slate hearth.

At the rear, within the dining/family area, is a second cream multi-fuel burner with oak mantelpiece above and double patio doors opening to the garden giving lovely relaxing views. The kitchen has cream gloss wall and base units with contrasting black 'metro' tiles between and a dark work surface flowing around. There is a large Rangemaster cooker and, within the tall units, is space and plumbing for the washing machine, tumble dryer and dishwasher as well as housing the Vaillant boiler. Next to the tall pantry is space for a fridge freezer.

First Floor:

Leading off the light hallway are three bedrooms, one being a large double bedroom overlooking the rear garden. At the fore is a single bedroom as well as a principal double bedroom with a square bay window and an array of built in wardrobes painted in 'French Grey'. The family bathroom is half panelled, painted in the same soft tones as the bedroom, with a bath that has an overhead shower and surrounding stone tiles as well as a basin and wc.

Exterior

The deep fronted garden/driveway has space for several vehicles with high wooden gates leading to the rear garden.

A wide passageway leads down the side of the house to a large garage that has a separate secure bike shed/garden store attached to the rear. This peaceful and private south east facing rear garden has a long grassed lawn with mature plants and trees along either boundary and an archway at the mid-point.

Garden Room

At the furthest end of the garden is a wonderful garden room that has so many versatile uses as a garden office, home gym, entertainment space or to simply enjoy the garden and the outlook to the surrounding fields from its own private vantage point. Within this large room, with power and light, there is ample space to relax or enjoy social gatherings with sliding doors at the rear and tri-fold doors that open to the garden itself. There is a convenient additional garden store built adjacent to this modern outdoor living space.

Cowes (Northwood)

Northwood is situated between Cowes and Gurnard, with an excellent primary school and easy access to more rural open spaces and walks. Close to the property is a large supermarket, pub, convenient local shop and is a short drive to Cowes or, in the opposite direction, St Marys hospital in Newport.

Cowes is rich in nautical heritage and an international mecca for sailing, culminating in Cowes Week held in August each year. It has quick access to Southampton via the Red Jet as well as having many marinas and sailing clubs dotted along the waterfront.
