

Fairfield Crescent,
Old Sawley, Nottingham
NG10 3AH

£735,000 Freehold

A substantial detached farmhouse with a self-contained two-bedroom bungalow, offering exceptional flexibility for family living, multi-generational use or home-and-income potential, set behind gated access in the heart of Old Sawley and within easy reach of main line rail services to London.

The main house provides spacious and adaptable accommodation over two floors. The ground floor features multiple reception rooms, well suited to both family living and home working, alongside a large open-plan dining kitchen which forms the heart of the home and opens directly onto the garden.

Upstairs are five double bedrooms, including a principal bedroom with en-suite shower room, complemented by a well-appointed family bath/shower room. One bedroom is accessed via another, offering flexible use as a dressing room, nursery or study.

Positioned to the rear, the bungalow is fully self-contained with its own entrance and includes a fitted kitchen, lounge, two double bedrooms and a shower room. It forms an integral part of the property rather than a later addition and is ideal for extended family members, guests, older children, offices or potential rental or Airbnb use, with optional internal access to the main house.

Outside, double wooden gates open to a block-paved driveway providing ample off-road parking. The established gardens are mainly laid to lawn with mature planting, seating areas and high boundary walls creating a private and enclosed setting.

Located within the historic village of Old Sawley, the property is well placed for Nottingham, Derby and the wider East Midlands, with excellent access to the M1 and main line rail services providing direct connections to London and across the UK. East Midlands Airport is also easily accessible, making the location particularly attractive for professionals and executive commuters. Nearby countryside attractions include Trent Lock, river and canal walks, cycle routes and established pubs and dining options.

Well suited to executive buyers, professionals working from home, and families seeking flexible accommodation with strong regional and national connectivity, this exceptional offering combines space, versatility and character and is offered for sale with no upward chain.
