## Welcome to Buxton Road — where space, style and versatility meet

**Set within the ever-popular Woodside area of Grays, this beautifully presented and seriously spacious four/five bedroom family home ticks every box for modern living — and then adds a few extras for good measure.**

Step inside and you're greeted by an inviting entrance hallway complete with stylish wood panelling, instantly setting the tone. To the front, a generous lounge (or optional ground floor bedroom — flexibility is the name of the game here) features elegant window shutters and plenty of natural light.

But let's talk about the star of the show.

The stunning open plan kitchen/diner/family room is quite simply the heart of the home. Flooded with light from feature doors and a striking lantern roof, this is a space made for busy mornings, relaxed evenings and entertaining on a grand scale. It's so impressive in size that it could easily double as the main living room — freeing up yet another bedroom if needed.

The converted garage delivers a fantastic ground floor bedroom with feature window shutters, while a sleek and stylish ground floor WC completes the level.

Upstairs, you'll find three excellent sized bedrooms, two boasting those ever-popular window shutters, and then the bathroom — a true showstopper. Finished to show-home standards with a statement roll-top bath and beautiful wood panelling, it's a space designed to impress.

Outside, the rear garden is a brilliant size and ideal for family life, summer gatherings or simply unwinding, while the front offers driveway parking.

Location-wise, it's spot on — perfectly placed for the highly regarded Orsett Heath Academy (est. 2024) and close to Treetops Special Needs School.

Big on space. Beautifully presented. Built for modern family living. This is one you'll want to see in person.
