St Katherine Docks

St. Katharine Docks Marina is arguably London's premiere marina. Located right next to the Tower of London and Tower Bridge it offers great facilities in an iconic setting.

As the only central London marina, boat owners can enjoy the unique experience of cruising up the River Thames and being part of an eclectic mix of vessels from all over the world.

With its spectacular yachts, cobbled causeways, cafés and shops St Katharine Docks it's a magnificent location to moor your boat. There's also a good selection of bars and restaurants so you won't need to venture too far to enjoy tasty international cuisine or a celebratory cocktail with friends and family.

For full location facilities visit:

There's a large Waitrose supermarket within a few minutes' walk and Mayfair, Oxford Street and Bond Street for all the latest fashions are within easy reach by tube.

World-renowned attractions, Tower of London, Tower Bridge and HMS Belfast are just a few minutes' walk from the marina. Also close by are the London Eye, St. Paul's Cathedral, Shakespeare's Globe and Tate Modern.

St. Katharine Docks Marina has been awarded five gold anchors in the TYHA independent Gold Anchor Scheme. This globally recognised accreditation is in acknowledgement of its security, ambience, facilities, and customer service.

Pontoon F offers a particularly quiet and near-private berth, with neighbouring boats only rarely in use. The larger vessel nearby also has its own private entrance, adding to the sense of exclusivity. The pub is well managed by the marina, ensuring it remains quiet by midnight, even during the height of summer.
