Beautifully presented throughout, this double-bedroomed coach house offers a perfect potential first purchase or an excellent investment opportunity. Located within a quiet corner of Stirrup Way on the popular Picket Twenty development, the property benefits from allocated parking, a charming private courtyard-style garden with access to an external storeroom. The accommodation has a clever layout which maximises every inch of available space and comprises an entrance lobby with stairs leading up to a rear aspect landing, a good-sized living room with space for dining, a kitchen, a double bedroom with both built-in and fitted wardrobe storage, along with a bathroom. The property is available with No Onward Chain.

Set back from Stirrup Way itself, the property frontage includes the allocated parking and gated access to the side of the property into the courtyard style garden, with the front door opening into a useful entrance lobby before stairs lead up to the accommodation. The landing with a window to the rear is located centrally with then access to one side, firstly to the kitchen and then the living room. The kitchen has a rear aspect and includes a range of eye and base level cupboards and drawers with work surfaces and matching upstands, an inset gas hob with extractor over and oven/grill below, along with space and plumbing for a washing machine and space for a fridge/freezer. The living room is of good size with windows to the front and offers space for dining plus a useful recess, ideal for a home office set up. On the opposite side of the landing is the double bedroom, also with a front aspect, plus the benefit of not only a generous built-in wardrobe cupboard but also extensive fitted wardrobe storage. The adjoining bathroom has a window to the rear. Outside, the courtyard-style garden is enclosed and features a block paved patio bordered by decorative slate shingle edges, a bespoke brick chiminea and a path to the rear of the property providing access to the storeroom, located under the stairwell.

Andover offers a range of shopping, educational and recreational facilities, including a college of further education, a cinema, theatre and leisure centre. The mainline railway station runs a direct route to London's Waterloo in just over an hour, whilst the nearby A303 offers good road access to both London and the West Country. Stirrup Way can be found off Halter Way, which runs through the eastern phase of the Picket Twenty development bordering Harewood Forest with access to public footpaths literally a stone's throw away. Picket Twenty itself has a range of amenities, which include Pilgrims Cross Primary school, Busy Bees' Day nursery, a community hall, a Co-Op store and an urban park and extensive sports pitches. Picket Twenty is on a regular bus route both to and from Andover's town centre.
