Beautifully presented throughout, this attractive and slightly elevated four-bedroom, semi-detached home offers generously proportioned accommodation, complemented by stunning front-facing panoramic views, a garage, off-road parking and a sheltered south-facing rear garden.

The property has been thoughtfully arranged to create a wonderful balance of open-plan living and separate spaces to relax. Contemporary styling, large double-glazed windows and an abundance of natural light combine to create a bright, welcoming home with a modern feel.

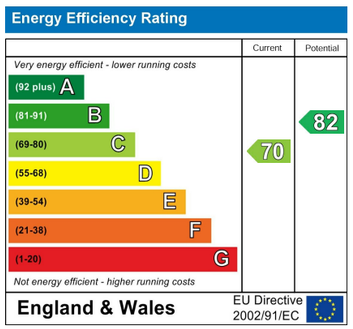

The well-planned accommodation comprises four generously sized bedrooms, two modern shower rooms and an additional WC. The modern kitchen has been enhanced with new worktops and connects seamlessly with the dining area and adjoining living space, creating an ideal setting for everyday family life and entertaining. A separate lounge, positioned at the opposite end of the property, provides a peaceful retreat away from the main living areas.

Outside, the sheltered south-facing rear garden provides a particularly appealing feature, offering a private and sunny setting in which to enjoy outdoor dining, summer gatherings or simply relaxing in the sunshine.

Jevington Drive is a quiet and friendly road situated in a popular residential area just north of Coombe Road. The property is conveniently positioned for the shops and everyday amenities along Lewes Road, with excellent bus links providing easy access to Brighton city centre. For commuters, the A27 is just a short drive away, while those who enjoy the outdoors will appreciate the easy access to the South Downs.
