A wonderful opportunity to acquire a four-bedroom detached home in a quiet cul-de-sac in Yatton village. 11a Barnards Close is being offered to the market for the very first time and is available with no onward chain. This much-loved family home represents an exciting opportunity to acquire a detached home occupying a generous plot, within easy reach of Yatton High Street. Now in need of modernisation, the property offers tremendous scope for a purchaser to enhance and extend (subject to the necessary consents) and to create a home tailored precisely to their own tastes and requirements. The internal accommodation is well arranged and begins with a welcoming entrance hall providing access to all the principle ground floor rooms and the stairs rising to the first floor. The sitting room is a particular highlight, enjoying a superb triple aspect that floods the space with natural light throughout the day, with doors opening directly onto the surrounding garden and reinforcing the strong connection between the internal accommodation and the outdoor space. Adjoining the hall is the kitchen/diner, a generous and practical room with ample space for family dining and excellent potential to be re-configured to suit modern styles of living. A ground-floor shower room/WC completes the ground-floor layout, adding practicality to everyday life. To the first floor, the landing provides access to four well-proportioned bedrooms, along with a family bathroom that serves the accommodation and offers further scope for updating and improvement.

The property occupies a notably generous plot with gardens that wrap around the house, creating a wonderful sense of space, privacy and opportunity. A driveway provides ample off-street parking and leads to the single garage, which offers secure storage and potential for alternative use, subject to any necessary consents. The gardens extend around the side and rear of the property and are a defining feature, largely laid to lawn and gravel areas, and all enclosed by established boundaries that provide a good degree of seclusion. The wrap-around nature of the garden and strategically planted hedges allow for various seating areas and uses throughout the day, making it ideal for families, keen gardeners or those seeking outdoor space for entertaining. The side garden in particular extends well beyond the footprint of the house, while the direct access from the sitting room further enhances the usability of the outdoor space and highlights the property's excellent indoor-outdoor flow.

Barnards Close is a quiet and well-regarded cul-de-sac, with number 11a enjoying a desirable end position that offers peace, privacy and minimal passing traffic, whilst remaining just a short and level walk from the centre of Yatton. The High Street provides a range of everyday amenities, including shops, cafés, public houses and a post office, together with a mainline railway station offering excellent commuter links to Bristol, Weston-super-Mare and beyond. The surrounding North Somerset countryside offers a wealth of walking routes and outdoor pursuits, while road connections provide convenient access to the M5 and Bristol Airport. Well-regarded schooling is also available locally, further enhancing the appeal of the location.
