- Two/three bedroom property occupies the most impressive plot - No chain • Entrance hallway with storage facility and guest WC • Modern kitchen with access to the garden • L-Shaped lounge/diner & conservatory extension • Spacious first floor landing with airing cupboard and loft access • Two further double bedrooms with impressive far reaching views • Modern bathroom/WC • Stunning side garden extending to the side of the house - max depth circa 140 feet • Impressive frontage, independent driveway & detached garage • Heycroft & Eastwood Academy School catchment area

RP&C Estate Agents are truly delighted to bring to market, offered with no onward chain and presented for the first time since its original construction, this exceptional two/three-bedroom semi-detached chalet. Set on an unrivalled plot at the end of a peaceful cul-de-sac in the highly sought-after of Eastwood, Leigh-on-Sea, this is a rare opportunity to acquire a home that has been cherished for generations and now offers outstanding scope for the future.

Occupying a remarkable plot with a rear garden measuring approximately 140ft at its maximum depth, the property boasts a substantial frontage, generous lawned areas, an independent driveway leading to a garage, and clear potential to create additional off-street parking if desired. The expansive grounds and positioning provide enormous potential to extend (subject to the usual planning consents), making this an ideal opportunity to create a substantial "forever home" tailored to your needs.

Internally, the accommodation is both versatile and well proportioned. The welcoming entrance hall provides access to a useful storage cupboard and a convenient ground floor guest WC. To the front, a flexible reception room offers the perfect space for a third bedroom, home office or playroom. The separate kitchen is modern and well presented, while to the rear sits a generous L-shaped lounge/diner,

offering excellent entertaining space and views across the garden. A conservatory extension provides additional living accommodation, although buyers may wish to remodel or replace this area to fully capitalise on the plot and outlook.

Upstairs, the property continues to impress with two comfortable double bedrooms, including a particularly spacious principal bedroom, alongside a modern family bathroom and further storage. The home benefits from double glazing and gas central heating throughout.

The location is equally compelling and set within a popular cul de sac. Positioned within easy access of the A127, the property is ideal for commuters, while also falling within catchment for highly regarded local schools including Eastwood Academy and Heycroft Primary School. Local amenities, parks and transport links are all within convenient reach.

Properties of this nature, offering such a substantial plot, prime cul-de-sac position, and exceptional potential are seldom available, particularly with no onward chain and a first-time sale history. This is a rare and exciting opportunity to secure a home with space, scope and long term promise.

Early viewing is strongly advised.
