## Accommodation

### Ground Floor

The accommodation begins with a welcoming entrance hallway, finished in neutral tones with stairs rising to the first floor and doors leading off to the principal rooms.

Positioned to the right-hand side of the hallway is the living room, a generous reception space enjoying a pleasant outlook to the front elevation and offering a cosy yet contemporary setting separate from the main family hub.

To the rear of the property is the impressive extended Kitchen / Living Area — the true focal point of the home. The extension has been designed with both style and functionality in mind, featuring vaulted ceilings with roof lanterns that flood the space with natural light. Bi-fold doors open directly onto the side garden, seamlessly connecting indoor and outdoor living.

The brand-new kitchen is fitted with modern units and complementary work surfaces, incorporating a central island with breakfast seating and a range of integrated appliances. The herringbone flooring adds warmth and character, while the log-burning stove provides a striking focal point within the living area, creating a cosy yet contemporary atmosphere throughout the year.

A ground floor WC completes the accommodation on this level.

### First Floor

The first floor landing gives access to the master bedroom, bedroom three, the office and the family bathroom.

The master bedroom is a well-proportioned double room and benefits from its own en-suite shower room. Bedroom three is also a comfortable double bedroom, ideal for family or guests.

The office provides an excellent work-from-home space,

positioned conveniently away from the main living accommodation.

The family bathroom is fitted with a modern suite including a bath with shower over, wash hand basin and WC.

#### Second Floor

The second floor offers two further spacious bedrooms — bedroom two and bedroom four — both generous in size and enjoying excellent natural light.

A further bathroom serves this floor, making the layout particularly practical for families or those requiring flexible accommodation across multiple levels.

#### Outside

Externally, the property enjoys a landscaped, low-maintenance garden which wraps from the side of the extension around to the rear. The paved seating areas provide ample space for outdoor dining and entertaining, with direct access from the bi-fold doors enhancing the flow of the home.

To the rear of the property there is a detached garage and driveway parking, offering practical off-street parking separate from the main road frontage.

The property occupies a pleasant corner position within the development, with hedged frontage and side access leading through to the garden.
