BEDROOM FOUR

7'6" x 7'2"

Featuring a white uPVC window, brown speckled carpet, yellow textured feature wallpaper and grey painted walls. A white ceiling and white skirting boards complement the décor, with a radiator and a smart-controlled pendant light.

INTEGRAL SINGLE GARAGE

9'10" x 14'9"

The garage has an electric roller door, lighting and

power, together with a uPVC door providing side access. It also houses the gas and electricity meters and a metal consumer unit.

CONNECTIVITY & HOME TECHNOLOGY

The property benefits from a comprehensive smart home system, incorporating premium technologies for lighting, heating, security and home automation. Features include a Ubiquiti UniFi Wi-Fi network, Heatit smart heating controls, Rako intelligent lighting throughout the home, Philips Hue lighting in the kitchen, dining and family areas, a Cytech Comfort alarm system and an integrated home automation platform.

Each system can operate independently without relying on an internet connection, while the central automation platform brings them together to provide convenient smart functionality and unified app-based control.

Data connection points serve bedroom four, the living room and the garden room/home office, with Wi-Fi access points positioned throughout the property. The data cabinet and switching equipment are located in the understairs pantry. Additional features include integrated Sonos ceiling speakers, CCTV and a Yale smart lock.

EXTERNALLY

This spacious, extended four-bedroom family home has been fully refurbished to a high standard. Dark-stained cedar tongue-and-groove cladding, a grey Marley tiled roof, charcoal windows and an oak front door create an attractive exterior. Home automation features, CCTV and an alarm system complement the property. The lawn and planted shrub borders soften the gravelled driveway, which provides parking for four to five cars, together with an electric vehicle charging point. An

integral single garage features an electric roller door.

The generous, private and enclosed rear garden can be accessed via a lockable black side gate. A discreet area to the side of the property provides space for bin storage and a washing line, while a Victorian-style lamppost adds character.

A spacious slate-paved patio offers an inviting setting for outdoor dining and entertaining. A purpose-built patio roof provides shelter throughout the year, while wall lighting allows the area to be enjoyed well into the evening.

Beyond the patio, a substantial lawn is framed by established shrub borders and features a garden swing. A secluded 'secret garden' behind the hedging includes a greenhouse and a further lawn enjoying views over the neighbouring football field.

Viewing is highly recommended to fully appreciate the space, quality and versatility of this beautifully presented family home.
