Situation

The cottages are conveniently located in the heart of this historic town, yet within a short distance of country walks and the picturesque River Avon. The old and new blend perfectly in Malmesbury, where narrow medieval streets, ancient monuments and historic gems are complimented by modern shopping and quaint boutiques. This thriving pretty market town offers a wealth of buildings of architectural interest including its ancient Abbey, whilst also having a wide range of shops, including a Waitrose, award winning schools and leisure facilities.

Early tributaries of The River Avon pass around the town with pretty walks and the countryside close at hand. The town is also the perfect base from which to explore some of the south west's finest rural areas. As well as the Cotswolds - itself a fascinating blend of limestone villages and rolling countryside - families can explore Conygre Mead Nature Reserve, Westonbirt Arboretum and the Cotswold Water Park.

A few miles from Malmesbury is Kemble, another truly hidden gem, and where you can find - and follow - the source of the River Thames. There are public transport services and good road access to the larger towns of Cirencester, Chippenham, Swindon, Bath and Bristol whilst the M4 junction 17 is only five miles south. Trains from Chippenham (10 miles) and Kemble (5 miles) link with London Paddington within approximately an hour.
