"I utterly adore sitting in the conservatory, even in January on a sunny day it is warm enough for a cuppa coffee. The conservatory and the garden have been a great place for entertaining and parties with lots of friends. In the summer when it's hot the trees provide welcome shade for reading on the loungers or a cuppa on the decking looking at the pond. I love the quietness of living here, no passing traffic, very quiet neighbours and access to the park at the back."
