Ideally positioned at the lower end of Drew Street, within easy walking distance of Brixham town centre and the picturesque harbour, 'Teacup Cottage' is a Victorian terrace offering a well-balanced combination of period character, generous proportions and modern-day convenience.

The property retains a traditional and particularly appealing layout, with a spacious entrance hall providing a useful arrival space for coats, shoes and everyday essentials. From here, the light and welcoming lounge features a characterful bay window and opens directly into the large central dining area. This open arrangement allows natural light to flow beautifully through the principal living space, creating a sociable and versatile area that feels both traditional and contemporary. The well-appointed galley-style kitchen is positioned to the rear and provides an excellent range of quality fitted units, together with plentiful worktop space and storage. A practical and well-designed space that combines functionality with everyday ease.

Upstairs, the impressive proportions continue. The grand master bedroom occupies the front of the property and is a particularly bright and spacious room, whilst the second bedroom is another well-proportioned double, enjoying an outlook over the rear. The generous family bathroom is a real feature, fitted with a stylish free-standing bath alongside a separate double-sized shower.

Outside, the rear garden is designed for easy maintenance, being predominantly laid to gravel. It provides a peaceful, sunny and private space in which to sit and relax, with the added benefit of gated rear access via a pathway behind the neighbouring properties.

The property benefits from modern gas central heating and UPVC double glazing throughout. There is no private parking, although on-street parking is available in the surrounding area. Situated in such a convenient position, the property is within comfortable walking distance of Brixham's town centre, harbour and wide range of everyday amenities, making this an excellent opportunity for those seeking a characterful home in a highly accessible location.
