Spacious Top-Floor Three-Bedroom Maisonette with West-Facing Garden and Outbuilding

Positioned in a highly sought-after Loughton location, this large top-floor three-bedroom maisonette offers a rare blend of generous living space, bright interiors, and exceptional outdoor privacy.

A standout feature is the private west-facing garden extending to approximately 60 feet, an uncommon advantage for a maisonette. The garden also houses a substantial outbuilding, perfect for use as a summer house, studio, or home office.

Offered chain free and presented in good decorative order, the property represents an outstanding opportunity for both homebuyers and investors seeking strong long-term value. Its elevated position provides excellent natural light throughout, enhancing the sense of space across the accommodation.

Located within walking distance of Loughton High Road and Loughton Underground Station, the home delivers superb convenience for commuters as well as easy access to local amenities, shops, and cafés. Properties offering this combination of size, location and outdoor space are rarely available, making early viewing strongly advised.
