William Court, Blue Bridge Lane, York, YO10 4NL

DESCRIPTION

A modern and spacious four-bedroom end-of-terrace townhouse, superbly positioned just off Fishergate — moments from the river, overlooking the historic Blue Bridge, and within easy walking distance of York city centre. Offered with no onward chain and ideal for families, those seeking vibrant city life, or buyers looking for a strong holiday-rental investment opportunity.

Arranged over three generous floors, the property provides bright, flexible accommodation with excellent natural light and a layout that suits a wide range of lifestyles.

The ground floor centres around a large kitchen/dining room with direct access onto the private rear terrace, creating a sociable everyday hub for cooking, dining and entertaining. A welcoming hallway, ground-floor W.C. and rare integral garage — a major advantage in this city-centre fringe location — complete this level.

The first floor features a superb full-width living room with Juliet balcony, offering an elevated, light-filled space for relaxing or hosting. A double bedroom and a modern family bathroom sit alongside.

The top floor hosts three further bedrooms, including a principal bedroom with en-suite, a second spacious double, and a fourth bedroom suited to a child's room or additional guest space.

William Court enjoys a discreet setting just off Fishergate, placing you steps from the riverside, historic Blue Bridge, and scenic walks towards Rowntree Park and the Millennium Bridge. York city centre is a short stroll away, with cafés, schools and key commuter routes all close by. It's a consistently popular location for buyers seeking a quiet yet highly accessible position.

A chain-free, flexible and well-located home in one of York's most convenient districts — early viewing is strongly recommended.

ENERGY PERFORMANCE CERTIFICATE

The energy efficiency rating is a measure of the overall efficacy of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.
