Accommodation

Set back from the road behind a gated frontage, the property offers extended accommodation and has clearly been a much-loved home. While there is scope for some cosmetic updating, the proportions are excellent, with two reception areas, three bedrooms and plenty of potential to adapt and modernise. The accommodation begins with an entrance porch opening into the hallway, with stairs rising to the first floor. There is a useful storage cupboard and pantry under the stairs. To the front is a generous sized sitting room, with a

fireplace and wide bay window bringing plenty of natural light into the room and providing a lovely focal point. Moving towards the rear, the dining room provides another good-sized reception space and opens through into a further extension making this a sizeable room. This additional area enjoys sliding patio doors overlooking and opening onto the rear garden, creating a versatile space which could work equally well as a family area, garden room or more informal dining space.

The kitchen is fitted with a range of wall and base units with work surfaces over, incorporating an integrated oven, gas hob, fridge, freezer and one and a half bowl sink. A door leads through to an inner lobby with access to a useful ground-floor WC along with a door opening into the garden.

On the first floor are three bedrooms. The principal bedroom is particularly generous in size, enjoying the character of a front bay window and an extensive range of fitted wardrobes and storage. Bedroom two is another comfortable double bedroom with similar built-in storage and views over the rear garden. Bedroom three provides a useful single bedroom which would also lend itself perfectly to a home office or nursery. The first floor also benefits from a separate bathroom and WC. The bathroom is currently arranged with a large walk-in shower enclosure and wash hand basin.

Outside

The rear garden is a real feature of this home. Generous in size and established, it has been thoughtfully arranged with areas of lawn, paving, gravelled beds and mature planting, creating several different areas to enjoy. There is plenty here for keen gardeners, families or simply those wanting more outside space. Positioned at the far end of the garden is a substantial workshop measuring, together with an adjoining garden store. Offering power and light, this is a brilliant addition and could be ideal for a tradesperson, serious

hobbyist, storage or workshop use. There is secure gated access to the side of the house leading to the front garden. To the front, the property is approached through gates with a block-paved area providing off-road parking, alongside a pretty small front garden.

Location

The property sits within walking distance to the town centre and harbour as well as a supermarket, Weymouth swimming pool and gym, the Rodwell trail and the Marsh. This property is the ideal family home with good local Primary & Secondary schools close by. Further local amenities can be found nearby, there is a Londis convenience store and Pharmacy a little further down on Abbotsbury Road along with a regular bus service into Weymouth town centre.
