Guide price £475,00 - £500,000.

Hunters are delighted to present this exceptional six-bedroom Victorian semi-detached family home, offering over 170 sq m (approximately 1,830 sq ft) of beautifully proportioned accommodation in the heart of Broomhill, one of Sheffield's most desirable residential locations.

Deceptively spacious, this elegant stone-built home is far larger than first impressions suggest. Arranged over three floors, it combines the charm and character of a traditional Victorian property—with high ceilings, generous room proportions and original period features—with the flexibility and practicality expected by modern family life.

The location is one of the property's greatest strengths. Tucked away in a peaceful, leafy setting with views towards the neighbouring forest school, the house enjoys a remarkably tranquil feel while being just a two-minute walk from the cafés, restaurants, independent shops and amenities of Broomhill. Sheffield's Teaching Hospitals, both Universities and the city centre are all within easy walking distance, making this an outstanding location for families and professionals alike.

The area is renowned for its strong community spirit, with regular neighbourhood events and popular "Play Out" sessions throughout the year, creating a welcoming environment in which children can thrive.

The accommodation briefly comprises a welcoming entrance hall, elegant bay-fronted sitting room, spacious dining room, fitted kitchen, useful cellar, and a bright conservatory with bi-fold doors opening onto the enclosed rear garden, creating a wonderful indoor-outdoor living space.

The first floor offers 3 bedrooms together with a recently renovated wet room featuring both a bath and separate shower. The second floor provides three further bedrooms, offering exceptional flexibility for larger families, guest accommodation, hobbies or home working.

The property has also been thoughtfully adapted to provide excellent accessibility, including wheelchair access, a lift between the ground and first floors, a contemporary wet room and ceiling hoists. These features make the property ideal for buyers requiring accessible accommodation or those wishing to future-proof their home. The ceiling hoists can be removed prior to completion if they are not required, allowing the property to be enjoyed as a traditional family home.

To the rear is a delightful enclosed garden providing a wonderful outdoor space for families to enjoy. The garden is held under a long-standing annual rental agreement at a nominal cost of approximately £12 per annum, an arrangement that has been in place for many years. Further details are, of course, available during the conveyancing process.

Rarely does a property combine such generous living space, period elegance, flexibility, accessibility and an exceptional location. This is a unique opportunity to acquire a substantial Victorian family home in the heart of one of Sheffield's most sought-after neighbourhoods.

Features
