Osprey Drive, Branston, Burton-On-Trent, DE14 3RQ
Offers Over £210,000

Offered with no upwards chain, this is a well presented two bedroom end terrace home with one particularly rare advantage: two separate enclosed gardens. With considerably more outdoor space than is normally associated with a property of this type, the home is an excellent choice for first time buyers, couples, young families or anyone who enjoys gardening and outdoor entertaining.

The accommodation includes an entrance hall, guest WC, comfortable living room and contemporary dining kitchen with French doors opening onto the first garden. Upstairs are two well proportioned bedrooms and a modern bathroom. Driveway parking for two vehicles completes this appealing home.

Location

Osprey Drive forms part of a popular modern development in Branston, offering convenient access to local shops, schools, medical facilities and everyday amenities. Burton upon Trent town centre, the railway station and surrounding road links are also within easy reach, while nearby countryside provides opportunities for walking and outdoor recreation.

Entrance Hall

The front door opens into a bright and welcoming entrance hall with wood effect flooring, a radiator and doors leading to the guest WC and living room.

Guest WC

A useful ground floor cloakroom fitted with a WC and wash basin. The room has modern tiled finishes and a radiator.

Living Room

The comfortable living room provides plenty of space for a range of seating and occasional furniture. A window allows natural light into the room, while wood effect flooring creates a practical and attractive finish. The staircase rises from the room to the first floor.

Dining Kitchen

Positioned across the rear of the property, the contemporary dining kitchen is fitted with a range of grey wall and base units, complemented by work surfaces and tiled flooring. There is an integrated oven, gas hob and extractor, together with space for further appliances. The room offers ample space for a dining table, making it equally suitable for everyday meals and entertaining. French doors provide a pleasant outlook and open directly onto one of the gardens.

First Floor Landing

The landing provides access to both bedrooms and the bathroom.

Bedroom One

A well proportioned principal bedroom with space for a double bed and additional bedroom furniture. A window provides plenty of natural light and offers an outlook over the surrounding development.

Bedroom Two

The second bedroom is another useful and versatile room, currently arranged as a child's bedroom.

Bathroom

The modern bathroom is fitted with a white suite comprising a panelled bath with shower above, WC and pedestal wash basin. Grey wall tiling and a heated towel rail complete the room.

Outside

The outdoor space is the defining feature of this home. Rather than a single garden, the property benefits from two separate enclosed gardens, providing excellent flexibility for relaxing, entertaining, gardening and family life.

The garden accessed directly from the dining kitchen is mainly laid to lawn, with fenced boundaries, established borders, space for outdoor seating and a useful garden shed. It creates a private and manageable extension of the indoor living space.

The second garden accessed via the side entrance provides an additional paved entertaining area with a covered seating space, ideal for outdoor dining and summer gatherings. Beyond the terrace is a long lawn offering space for children to play, further planting, vegetable beds or additional seating. Having two distinct outdoor areas allows one garden to be used for entertaining while retaining the other for play, gardening or quiet relaxation.

To the front, the property benefits from driveway parking for two vehicles.
