DESCRIPTION

A modern architect designed property set over 3 floors. The property provides versatile accommodation over an original layout with a good size hall, downstairs WC, office, split level leading to a large lounge with large bi-fold doors on to the patio/garden. The kitchen provides plentiful storage with a good range of units as well as a large island. On the first floor is the master bedroom with en-suite shower and dressing room (with built in wardrobes), 2 further bedrooms and family bathroom.

The second floor is generous and is built into the eaves with 1 further bedroom and built in storage. There's a large and spacious landing area which offers additional built-in storage as well as an open area that may suit reading/relaxing, a further shower room is also located on this top floor.

There is parking for approximately 4 cars to the front and a good-sized split-level rear garden is enclosed and provides a full patio to the full width and wrapping around the property.

This really is a one-off architect designed home with an excellent Specification!

AGENTS NOTES

Please note that considerable investments have been made during

our client's tenure to update and enhance the property further, namely:

Our clients have replaced the floor in the living room. Every bedroom has also had new laminate flooring. In addition, there is also new carpet to the stairs and landings.

All three bathrooms have been updated, with an extra bath being added to the main bedroom ensuite and wood effect tiles in two of these rooms.

Bespoke cupboards have also been built into one of the double bedrooms as well as the room currently used as a nursery.

The entire kitchen has been replaced including flooring and appliances. Additional storage cupboards were added as well as a new worktop and sink added to the utility. A new sink was also added to downstairs WC.

New bifold doors were added to the rear of the property as well as the purchase of a new front door.

The boiler was renewed and new radiators added to the master bedroom, dining room and downstairs toilet.

The whole house has had all new smoke alarms fitted.

The house now has fibre for high-speed internet.

The thermostats have all been upgraded on all radiators so you can control all of them, including the towel rails and water from an app (or the two thermostats in the house). The system utilizes Honeywell home and can be controlled by Alexa and Google

FIXTURES & FITTINGS

All items normally designated as Vendor's fixtures and fittings including curtains and light fittings, are expressly excluded from the sale. However, certain items may be available by separate negotiation.
