SADDLERS COTTAGE

This is a fantastic opportunity to purchase a development opportunity, with full planning permission to demolish the existing house and to build a new, generous 4 -bedroom family home totalling around 2893 square foot (planning reference 25/01300/FULLN). The property is set in around 0.97 acres of beautiful gardens on the edge of Longparish.

Behind the current cottage is a thatched outbuilding, which historically has been used as a garden room and workshop by the previous occupants and is ripe for renovation into useful additional space.

The gardens at Saddlers Cottage are a wonderful feature of the property. The main garden surrounding the house totals 0.97 acres, and is beautifully established, featuring lawns, hedged boundaries, a woodland garden and a former vegetable garden.

There is superb scope within the garden which already provides attractive and private surroundings.

SITUATION

Longparish is a popular village with the River Test running through the centre and an excellent range of local amenities. There is a primary school which is a short walk from the house, cricket pitch, church, two public houses and a thriving village shop. The village is surrounded by attractive countryside and there are numerous very good walks close by. The nearby town of Andover provides a very good range of shops and facilities, including a mainline railway station. The Cathedral City of Winchester is 13 miles away. The village is also extremely well connected with a mainline station to London from Andover, and the A303 providing links to London and the West Country. The renowned Farleigh School is also a short drive.
