#### A WORD FROM THE OWNER...

"The time we have spent in Wanstead has been perfect as a first purchase. We are a stone's throw away from the high street and Snaresbrook station. Wanstead has a wonderful sense of community and there is such variety of eateries, shops and pubs in the local area. As a young couple we have loved living here, particularly with our dog as there are fantastic local walks, as well being on the border of Epping Forest. The garden has been a god send to us, particularly in Summer working from home as it becomes an all day sun trap. The doors from the kitchen into the garden space make it a flexible indoor/outdoor living space that is perfect for entertaining in the warmer months. Having a large outdoor shed has proved wonderful for us storage wise, but could alternatively be employed for other uses as it has electricity. With having our main bedroom in the back of the house, there is no noise from Hermon Hill and we'd loved having bi-folding doors from our bedroom that lead into the garden. "
