Step through the welcoming porch and straight into a home that's clearly been designed for real life. The modern fitted kitchen sits to the front, offering sleek cabinetry, generous workspace and a layout that makes cooking feel less like a chore and more like a vibe.

To the rear, the spacious lounge is perfect for cosy nights in or hosting friends and benefits from direct access to the integral garage — ideal for storage, bikes or future potential (STPP). Flowing seamlessly from here is the rear extension, a brilliantly versatile space that can flex as a dining room, playroom, home office or second reception — basically whatever stage of life you're in, this room adapts with you.

Upstairs, you'll find three well-sized bedrooms, each offering comfortable proportions and plenty of natural light. The family bathroom is modern and practical, featuring a separate shower — because morning routines shouldn't be a negotiation.

Outside, the low-maintenance rear garden keeps weekends stress-free, while beyond the garden sits a rear driveway providing off-street parking, complemented by the integral garage — a rare and valuable combo on this road.

Location-wise, Fourth Avenue is a firm favourite for good reason. Quiet, well regarded and consistently in demand, it also offers easy access to the A13 and is conveniently placed for Stanford-le-Hope Station, making commuting a breeze.
