Property Description

A truly stunning, modern 2 bedroom ground floor apartment located in one of East Molesey's best locations. The apartment was built only a few years' ago and still benefits from a beautifully fitted kitchen, with appliances installed - being open-plan to a large lounge/dining room with views over the garden areas around. There are 2 very good sized bedrooms and one has an - en-suite as well as there being a family bathroom. Unusually, there is also a decent amount of storage.

Additional features include a underfloor heating system, double-glazing and a secure intercom as well as lovely landscaped grounds, which include residents' parking and plenty of visitor spaces.

From this very central location, a buyer will have access to the Hurst Meadow and River Thames beyond. There is Hurst Swimming Pool just across the road and a little further afield but still within easy reach is Hampton Court Train Station with regular train services to Waterloo - an easy bike ride should get you there in 5 /6 minutes.

Shops are available at Hurst Park Tesco, Walton Road or Bridge Road which has an excellent supply of eateries including pubs, cafes', restaurants and a selection of other independent shops.

No onward chain.
