

Talbot Drive
Stapleford, Nottingham NG9 8HG

£215,000 Freehold

A THREE BEDROOM SEMI DETACHED
HOUSE.

A three bedroom semi detached house offered for the first time since construction in 1974.

With double glazing throughout, this property has had further recent improvements including a contemporary Shaker-style full fitted kitchen, the gas fired central heating served from a combination boiler was installed in 2024 and the radiators (other than one) were updated in December 2025. The electrics were also checked and updated in December 2025.

The property comes to the market with NO UPWARD CHAIN and requires some light cosmetic improvement, offering a blank canvas with fantastic potential to first time buyers and young families to make their own mark upon it.

Situated in a cul de sac in this popular residential suburb, the property enjoys off-street parking for at least two vehicles, gated access to a garage and the rear garden is attractively landscaped.

Positioned on the outskirts of Stapleford, off Moorbridge Lane, this small residential development is close to open countryside, yet conveniently situated within easy reach of Stapleford town centre's amenities, Albany Junior School and great road networks linking Nottingham and Derby via the A52 and Junction 25 of the M11 motorway for further afield.

An internal viewing is recommended to appreciate the potential on offer.
