DESCRIPTION

This is a once-in-a-generation opportunity to acquire one of Tavistock's most notable and recognisable buildings, now offering the chance to create a unique statement home in the very heart of the town. Currently configured as a mixed-use premises with an office on the ground floor and a spacious 4-bedroom maisonette over, this Grade II Listed building - the only detached house on Plymouth Road - is offered chain-free, with the benefit of full planning consent for reversion into an impressive and substantial single dwelling of almost 3,000sq.ft, comprising five bedrooms (four doubles), three bathrooms and four receptions. Externally, the house is complemented by a mature walled garden featuring a 2-storey stable barn offering further scope, perhaps for an annexe or other ancillary use. Indeed, interested parties might wish to explore other options for the site, including the conversion of the house into multiple apartments, a variation of the existing mixed-use setup, or the conversion of the stable into a separate dwelling (all subject to any necessary consents).

ACCOMMODATION

The layout is currently configured with the office premises occupying most of the ground floor, and the maisonette occupying the remainder, and also the entirety of the first floor. The office comprises the front tiled vestibule, a central hallway, several individual office spaces, and kitchen and WC facilities to the rear, where there is also access out to the rear garden. The maisonette is accessed separately, to the side of the building, and is comprised of a tiled hallway with an elegant turning staircase, a WC, a sizable utility room and a workshop/store room on the ground floor, whilst on the first floor are an impressive, high-vaulted sitting room overlooking the garden, a comprehensively fitted kitchen/dining room with integrated appliances, a large, central hallway/landing with doors out to a balcony, four bedrooms (three doubles, one en-suite), and a spacious family bathroom. In all, the floor area of the building amounts to some 2,885sq.ft.

OUTSIDE

To the front of the property is a very large, walled and tarmacked driveway providing extensive parking and turning space. The rear garden - also walled - is very well-established, planted with mature shrubbery and specimen trees, and otherwise laid to well-kept lawn. Within the garden is a former greenhouse and a 2-storey, stone-built stable barn, which offers excellent storage, workshop or, potentially, garage space, as well as further opportunity for conversion, subject to any necessary consents or approvals. There is also double-gated vehicular access into the garden, and a door into the barn, from Garden Lane at the rear.

PLANNING CONSENT

Full Planning Consent, and the associated Listed Building Consent, was granted by West Devon Borough Council on 29th July 2025, under application reference 1512/25/FUL, for "Conversion of existing commercial & residential flat to single dwelling & associated works". Copies of the relevant documentation can be obtained from the council's planning portal or via Stags. Planning was also historically granted, in 1994 (now lapsed), for the conversion of the stable barn to a dwelling.
