SITUATION

Poundbury is designed with a set of key human-centred principles - to put people before cars, integrated places of work with homes and invest in buildings of exceptionally high construction quality and aesthetic standards. Since breaking ground in 1993, the community has achieved worldwide acclaim from architects, town planners, academics, and house builders, both for its intelligent design and success in creating a highly desirable and diverse new community. Queen Mother Square is the centre of life in Poundbury, with its collection of independent shops - including a butcher and a Waitrose supermarket and The Duchess of Cornwall Inn. Smaller squares, beautiful gardens and wilder areas of parkland are woven into the fabric of Poundbury, including the formal gardens and expansive lawns of Pavilion Green stretching north of Royal Pavilion. A short journey from both Dorchester South and Dorchester West stations, residents of Pavilion Green East are easily connected to the South West trains network, with direct trains into London Waterloo and Bristol Temple Meads. The A35 and A37

open up all of Dorset's wonderful landscape, which is recognised as an Area of Outstanding Natural Beauty, as well as providing easy access to its dramatic coastline from Lyme Regis and the Jurassic Coast to Corfe Castle and the Isle of Purbeck.

Dorchester is situated within approximately 1½ miles and provides a comprehensive range of shopping and recreational facilities including The Thomas Hardy leisure centre, library and cinema. It is in the catchment area of a number of highly regarded schools. There are many footpaths and bridleways across the beautiful surrounding countryside. The Jurassic Coastline is a few miles to the south with some sandy beaches, and water sports along the coast of Weymouth/Portland.
