Positioned on the top floor of a modern development in Lakeside, one of Doncaster's most sought-after locations, this well-presented two-bedroom apartment enjoys attractive water views and a peaceful setting, while remaining close to key amenities and transport links.

The apartment has been recently built and benefits from remaining new-build warranties. Internally, the layout is practical and well thought out, with a bright open-plan lounge and kitchen area that makes the most of the outlook across the lake. The kitchen is fully integrated and includes a dishwasher, wine fridge, cooker and microwave, along with a separate utility cupboard for added storage and convenience.

There are two double bedrooms, with the main bedroom featuring an en-suite shower room. The second bedroom is served by a modern family bathroom with a shower over the bath and glass screen.

Externally, the property benefits from allocated parking along with access to an EV charging point, making it ideal for modern living.

Lakeside is popular for good reason, offering lakeside walks, bars, restaurants and easy access to the motorway network, Doncaster town centre and the railway station.

An excellent option for owner-occupiers or investors alike.
